

PROFILE OF VIETVISION COMPANY

VietVision company was founded in June 2006 after recognizing a need for high-quality and professional interpretation and translation services in Vietnam. From its inception, VietVision has had only one goal – to become **the most trusted source of expert interpretation and translation services in Vietnam.**

Core of our philosophy

- **Professionalism:** We have competent interpreters and translators to achieve our goal.
- **Reliability:** We strive to serve each client's requirements and to develop and sustain successful, loyal, long-term relationships.
- **Commitment:** We manifest a strong commitment to language interpretation and document translation accuracy.
- **Affordability:** We optimize our work process to ensure that the product you receive from us is high-quality at a competitive price.
- **Availability:** You can always expect that your requests will be addressed promptly and you can rest assured that you can meet your translation and interpretation need as they arise with confidence.

Why our service?

- *Our vast pool of qualified translators and interpreters*
- *One point of contact without scrambling to find translators and interpreters*
- *One-invoice billing (with VAT invoice)*
- *Save your resource to grow your business.*

Service

VietVision provides high-quality and professional translation and interpretation services (in English, German, French and Vietnamese).

Translation work is strongly internet-based, so that we can work borderless, with customers from Germany, Switzerland, Sweden, Denmark, UK etc. We use Wi-Fi ADSL high-speed internet connection. We can handle all documents in Word, CorelDraw, PowerPoint, Excel, PageMaker, AcrobatReader (pdf files), QuarkXpress, HTML (website). Voice-over is also possible.

VietVision also supports foreign companies organizing business trips combined with customized tours in Vietnam. We identify potential partners and arrange meetings/ visits incl. interpretation services.
